Florence Crittenton Services is a Denver nonprofit with a mission to educate, prepare, and empower teen mothers and their children. For 124 years, our services have made it possible for teen mothers to succeed as scholars, parents, and professionals, while ensuring that their children become kindergarten-ready. Our campus is a full-service Family Resource Center that includes an Early Childhood Education (ECE) Center, the Alethia E. Morgan, MD Health Center, and, through our 34-year partnership with Denver Public Schools, the on-site Florence Crittenton High School.
